# My Sister, My Friend

Dedicated to Beta Epsilon Chapter of  
Theta Phi Alpha  
November 1993

<sup>G</sup> The precious gifts of Theta Phi are friends, are both new and old,  
<sup>G7</sup> Bound by a seal upon our hearts - the badge of pearls and gold  
<sup>Am7</sup> The rose of white and the sapphire blue are symbols of a truth  
<sup>Am7</sup> Friendships stretch from coast to coast, and last beyond our youth.

Gsus G G7

Chorus

<sup>C</sup> Friendship is a promise spoken only by the heart,  
<sup>Bm</sup> North and south and east to west, <sup>C</sup> we each do our part  
<sup>Am7</sup> In a sisterhood that's special - one you can't explain  
<sup>Am7</sup> Holding one another, in an everlasting chain,  
<sup>Bm</sup> Theta Phi Alpha - a bond that has no end  
<sup>Am7</sup> You are my sister and you are my friend

<sup>G</sup> Scrapbook pages turning, year after year,  
<sup>G7</sup> Familiar faces, each one held so dear

Ebm

<sup>Am7</sup> Memories of a lifetime - some sad, some sweet  
<sup>Am7</sup> All the friends we've known forever and the ones we've yet to meet.
